It should not be difficult for the Senior Surgeon to find a small sum of about 200 Rs ~~required~~ by reappropriation within a grant of nearly 7½ lakhs, if not ~~so~~

MR 19/12

and it is simply impossible to sanction an additional grant on account of ordinary expenditure that should be met by reappropriation which does not seem to be so impossible. According to the Revised Estimate for last year the expenditure on Europe Medicines was Rs 47,600 (page 11) of the Budget Estimates) but

GPB—50,000—13-5-08

Serial No.

the grant for the current year for the same purpose is as large as Rs 65000. If the Revised is any guide, the present demand if inevitable, can surely be met from that grant. The strain imposed by the prevailing distress so heavy & the demands for expenditure additional to the Budget are so large that no addition on account ordinary expenditure can be permitted nor can any extra grant be sanctioned for such a purpose. If not the grant for Civil Medicines, some other grant must be drawn upon for finding the money required for Continuing the grant In any case there can be no addition to the Total grant for the Medical Dept

in-aid should not be renewed even if the Senior Surgeon can find funds for it by reappropriation in the current year's medical budget. The fact that we can find the money for the few remaining months of the current year is no reason why Govt. should bind itself to pay a considerable sum annually for a series of years to come. As far as the duty of Govt to the labouring population is concerned it will be sufficiently discharged by carrying out the Dewan's order of posting a good Civil Surgeon to Kadur and by appointing temporary additional hospital assistants to the local dispensary when necessary to cope with outbreaks of epidemics

It strikes me that the present attitude of Government in the matter is not fair to the Planters - The necessity for posting a Civil Surgeon at Chikmagalore a good medical Officer of the rank of Civil Surgeon is recognized, as well as that of paying a Contribution of Rs 200 per mensem to the Kappa medicine Fund as an alternative and pending the appointment of a Civil Surgeon as aforesaid But no Civil Surgeon is appointed, and at the same time the Contribution is stopped

2 ~~Any~~ ~~Good~~ uncertainty in the policy of Govt must embarass the Planters in making their engagements

GPB—50,000—15-5-08

Submitted to His Highness.

A grant-in-aid of Rs.200 per mensem to the "Koppa Medical Fund" for the employment of a medical officer by the Planters at Koppa was sanctioned tentatively for one year in Government Order dated the 23rd August 1899. The grant is being renewed from time to time. The last renewal, sanctioned by His Highness in order dated the 5th September 1905, was for 3 years and was on the condition that the grant would be discontinued altogether after the expiry of that period. This period expired on the 22nd August 1908. The Government in their orders dated the 4th April 1908 and 16th June 1908 declined to sanction the continuance of the grant beyond that date.

W (Cinkes file)

Y + L

The Planters have brought up the matter again and they pray that the grant may be renewed, as otherwise ~~that~~ the Koppa Medical Fund will have to be wound up. The Senior Surgeon also recommends that the grant may be renewed.

There is no provision in the current year's

budget to meet this additional charge and the Senior Surgeon states that it is not possible to suggest any re-appropriation of sanctioned grants by which to meet the charge. The Financial Secretary is of opinion that in our present financial condition the grant-in-aid should not be renewed even if the Senior Surgeon can find funds for it by re-appropriation in the current year's Medical Budget and that as far as the duty of Government to the labouring population is concerned it will be sufficiently discharged by posting a good Civil Surgeon to Kadur and by appointing temporary Hospital Assistants to the local dispensary when necessary, to cope with outbreaks of epidemics.

The matter was considered in Council and the Council is of opinion that the grant-in-aid of Rs.200 per mensem may be renewed for a further term of three years. This may be sanctioned.

The file having again been referred to the Financial Secretary for remarks, if any, under para 8 of the order of 6th May 1907, that officer has stated that he has no remarks to make.

Med 89-08
8[illegible] 3.

Sir,

In reply to your docket No.3707/Med.89-08-2 dated 19-10-1908, regarding the renewal of the grant-in-aid of Rs.200/- per mensem to the Koppa Medical Fund, I have the honor to state that I have no hesitation in recommending Mr. Scot Skirving's appeal to the favourable consideration of His Highness' Government. The circumstances of these planters with their large dependencies in their isolation are as well known to Government as to me and need no de-tailing by me; they are sufficiently hard, and the boon of any help Government may be in a position to give will be of corresponding value.

I have the honor to be,

Sir,

Your most obedient servant,

M.D.
